"At a mile distant their thousand hooves were stuttering thunder, coming at a rate that frightened a man - they were an awe inspiring sight, galloping through the red haze - knee to knee and horse to horse - the dying sun glinting on bayonet points..."
 Trooper Ion Idriess

The **Australian Light Horse Studies Centre** aims to present an accurate history as chroniclers of early Australian military developments from 1899 to 1920.

The **Australian Light Horse Studies Centre** site holds over 12,000 entries and is growing daily.

12th Australian Light Horse Regiment, AIF, 18th Reinforcements, embarked from Sydney, New South Wales on board HMAT A15 *Port Sydney* 9 May 1917.

The HMAT A15 *Star of England*, later renamed *Port Sydney*, weighed 9,136 tons with an average cruise speed of 13.5 knots or 25.00 kmph. It was owned by the Commonwealth & Dominion Line Ltd, London, and leased by the Commonwealth until 22 September 1917.

The ensuing individual soldier's embarkation information contains the following details:

Rank on embarkation;
Full name of the soldier
Declared age of the soldier;
The last occupation held;
The last address as a civilian;
Enlistment Date; and,
Fate.

Embarkation Roll

A note on copyright

The Australian Light Horse Studies Centre is a not for profit and non profit group whose sole aim is to write the early history of the Australian Light Horse from 1900 - 1920. It is privately funded and the information is provided by the individuals within the group and while permission for the use of the material has been given for this site for these items by various donors, the residual and actual copyright for these items, should there be any, resides exclusively with the donors. The information on this site is freely available for private research use only and if used as such, should be appropriately acknowledged. To assist in this process, each item has a citation attached at the bottom for referencing purposes.

Please Note: No express or implied permission is given for commercial use of the information contained within this site.

A note to copyright holders

The Australian Light Horse Studies Centre has made every endeavour to contact copyright holders of material digitised for this blog and website and where appropriate, permission is still being sought for these items. Where replies were not received, or where the copyright owner has not been able to be traced, or where the permission is still being sought, the Australian Light Horse Studies Centre has decided, in good faith, to proceed with digitisation and publication. Australian Light Horse Studies Centre would be happy to hear from copyright owners at any time to discuss usage of this item.
